Dear Parents/Guardians of Winnisquam Athletes,

Your child has been selected to an athletic team for the Winnisquam Regional School District for the 2009 fall season. In order to improve the communication regarding practice and game schedules I have slightly re-organized the Winnisquam athletic website to better fit the needs of parents, athletes, and myself. The following will be a basic introduction on how to find practice/game schedules for your child's team. As always, do not hesitate to call or email me if you have any questions.

PRACTICE SCHEDULE:

Log onto <http://www.wrsdsau59.org/athletics>

Click on link to game and practice schedules. This will take you to www.highschoolsports.net. A list of upcoming practices will be listed. Unfortunately, the website will not allow me to enter end time for practices.

GAME SCHEDULE

Log onto <http://www.wrsdsau59.org/athletics>

Find Middle School or High School and click on "game schedules". This will take you directly to an account for the website www.highschoolsports.net. This account is setup for both high school and middle school even though "Winnisquam High School" is written at the top of the page. A list of upcoming activities will be displayed on the screen.

To find your child's schedule – click the "Change" tab next to "All Teams". From the drop down menu select the team you want and click "Go". NOTE: Use the following list to help you find the team.

MIDDLE SCHOOL

Boys Middle School A Soccer
Boys Middle School B Soccer
Girls Middle School A Volleyball

The schedule will appear. For an away game you can click on the underlined opponent for Mapquest directions to the school.

EMAIL NOTIFICATION – receive an immediate email when there is a change (weather, etc)

Log onto <http://www.wrsdsau59.org/athletics>

Click on the link to www.highschoolsports.net. Click "Register" on the top of the page. . Fill in the appropriate information and click "Sign Me Up". NOTE: to Middle School parents: When choosing a school from the drop down menu choose the **high school** and NOT the middle school. Both the MS and HS are on the same high school account. You then will able to select you child's team and receive email notification about any changes.

Sincerely,

Jeff Cloos
Athletic Director
